

Warranty

- ***All DYCO swing bearings carry a 1 year / 2,000 hour (whichever comes first) product warranty for defective material or workmanship.***
- ***If a defect in material, or manufacturers, workmanship is found within the applicable warranty period, DYCO will, at its option, repair or replace such defective part during normal working hours.***
- ***Labor to remove and replace defective parts is not covered.***
- ***The cost of freight, insurance, transportation, import charges, duty and taxes for obtaining or replacing parts claimed under warranty is not reimbursed on warranty claims.***
- ***Travel time to and from the job site is not reimbursed under warranty.***
- ***DYCO will not be held liable for any incidental or consequential damages resulting from a warranty failure or any penalties thereof.***
- ***All warranty claims must be advised immediately to DYCO with complete description of claim for procedure.***
- ***Standard warranty claims to be submitted including all supporting documents, digital pictures and detailed description of failure.***
